

- Were you denied housing because you come from another country, or because you do not speak English?
- Has your landlord made repairs for some tenants but not others, based on their race, color or national origin?
- Did your landlord make you pay more money or refuse to rent to you because you have a large family?
- Have you ever been told, "We don't allow children in this building?"
- Did a property manager refuse to rent to you because you use a wheelchair?
